FOOD AND BEVERAGE POLICIES

Standard Food and Beverage Service

A sit-down meal service is available and will be arranged as follows:

Exhibition Hall: Round tables seating up to 12 guests (72-inch rounds).

All other spaces: Round tables seating up to 10 guests (60-inch rounds).

A selection of 90-inch white or black square linens is available for round tables. All linens sourced from external suppliers must be delivered to the Calgary TELUS Convention Centre in advance to allow sufficient time for setup. Please coordinate with your Catering Manager to ensure timely delivery and setup.

For events with buffet service, the number of buffet lines is determined based on the guaranteed number of guests. We plan for one buffet line per 100 guests. Additional fees will apply for any buffet lines requested beyond this standard guideline.

If additional place settings are required for pre-set meals, the Executive Chef will determine the cost based on the item price.

An additional \$15 fee will apply for each extra place setting if the room setup exceeds the guaranteed guest count. This fee covers the preparation and service required for the additional settings at each extra table. Any dietary restrictions related to pre-set items will incur an additional charge, determined by the Executive Chef based on the item's price.

Note: The Calgary Marriott Downtown Hotel and the Calgary TELUS Convention Centre are not responsible for placing or removing rental items and will not be held liable for any lost or damaged rental items.
